OREGON DIXIELAND JUBILEE TURNS A PROFIT!

The results are in for the 1984 ODJ, and Jubilee organizers have announced a profit of \$4,257.53. This year's success resulted from thousands of hours volunteered by hundreds of people during the past year, CCHS president Michael Foster commented. The receipts from the festival will go toward the Heritage Center Project, helping to preserve the rich treasures of our community's past. But the real profits of ODJ are distributed in all of the county through tourist dollars.

Festival organizer "Obie" O'Bryant estimated that 2,200 people attended the event which was held in Astoria, Gearhart and Seaside. According to O'Bryant the Jubilee was a great example of people county-wide working together on an event which benefits the entire County. He added that a number of band leaders had phoned to say that they "loved" the festival because they were "treated so well."

Please mark your calendars for the weekend of October 11, 1985 for another great year of jazz and fun.
